Sub: Appeal for deadline extension – ORS Compliance Requirements

Docket #: 2021 - 80 – T Order #: 2021 - 155

I am writing this letter to request an extension be provided to the deadline for submission of our ORS Compliance Requirements. Due to COVID situations, I was unable to complete all requirements and will not be able to submit it on the actual due date i.e. **15 June 2021**.

I am apologizing for the delay and working toward the completion of requirements. May I request an extension until **31 August 2021**.

So kindly extend the deadline to **31 August 2021**. Thanking you.
